

## INITIATIVE APPLICATION FORM:

### **A. Application Process**

Thank you for your interest in partnering with the Colorado Clean Energy Cluster (CCEC). This form is intended to gather initial information about your proposed initiative, evaluate its alignment with CCEC goals, and assess our potential role(s) in partnering together. After you've submitted the completed form below, CCEC staff will interview you by phone or in person to clarify and elaborate on your responses. The information on this form and interview notes will then be provided to the Economic Development Committee of CCEC. The committee will rank and prioritize applications based on alignment with CCEC goals. Specifically, applications will be evaluated on the extent that the proposed application addresses these criteria:

- Creates primary jobs in the region
- Helps to eliminate gap(s) in the clean energy workforce
- Represents ground breaking effort
- Involves an innovative use of a clean energy technology
- Includes a research role for regional educational institutions
- Provides a clear role for CCEC
- Ease of implementation
- Rounds out the portfolio of initiatives supported by CCEC
- Overall strength of application/proposal

Based on the ranking results, the Economic Development Committee will then recommend to CCEC board of directors those initiatives best suited for formal CCEC support. The board will vote on the Economic Development Committee recommendation at the next regularly scheduled monthly board meeting and you will be notified of the board's decision.
